A-2021-3028250

**TO ALL PARTIES OF RECORD**

Application of the Department of Transportation of the Commonwealth of Pennsylvania for approval to alter the public crossing (DOT 591 911 H) by the replacement of the Viaduct bridge, approach structure to the John Harris Memorial Bridge, where State Route 0083 (Interstate 83) crosses, above grade, one (1) track of Norfolk Southern Railway Company, Paxton Creek and Cameron Street located in the City of Harrisburg, Dauphin County.

To Whom It May Concern:

On July 10, 2025, the Commission approved the final, signed and sealed electric traction/catenary structure plans submitted by the Department of Transportation of the Commonwealth of Pennsylvania (Department).

To move the project along as expeditiously as possible, the Department chose to submit two applications to separate each public crossing involved in the subject bridge replacement. It was later determined that the electric traction/catenary structure plans were erroneously submitted to the Commission and subsequently approved under the wrong docket (A-2021-3028250) and require resubmittal under docket A-2021-3028010.

Upon full consideration of the matters involved in this proceeding, we find that our Secretarial Letter approving the electric traction/catenary structure plans dated July 10, 2025, shall be rescinded.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code, THEREFORE:

1. The Secretarial Letter dated July 10, 2025, approving the electric traction/catenary structure plans, be rescinded.
2. In all respects not inconsistent herewith, our Secretarial Letters dated March 28, 2022 and April 15, 2022, remain in full force and effect.

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered. All filings should be addressed to the Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120. The Commission will not accept documents delivered by fax or by e-mail.
