Re: Kenneth Jones v. The Pittsburgh Water and Sewer Authority  
Docket No. C-2024-3052003

Dear Judge Dunderdale:

The Pittsburgh Water and Sewer Authority respectfully submits this correspondence to provide a status update in the above-referenced matter.

Earlier today, representatives from Pittsburgh Water met telephonically with Mr. Jones to discuss the outstanding issues on the Settlement Agreement in order to finalize resolution of this matter. As a result of that discussion, the parties reached an understanding on revised settlement terms and a revised Settlement Agreement has been prepared and will be sent to Mr. Jones via U.S. Mail for signature.

Pittsburgh Water respectfully requests an additional 30-day stay in this matter to allow sufficient time for the revised Settlement Agreement to be delivered to Mr. Jones via U.S. Mail and returned to Pittsburgh Water for final execution. The initial payment on these terms by Mr. Jones has been made.

Should the Court require any additional information, please to not hesitate to contact me.

Very truly yours,

/s/ Conor D. Farley
