Re: Lauren Zonca v. Metropolitan Edison Company
Docket No. C-2023-3041619

Dear Secretary Homsher:

In accordance with the Interim Order issued on April 4, 2025 in the above-referenced matter, this letter serves as the status report of FirstEnergy Pennsylvania Electric Company on behalf of its Met-Ed Rate District.¹ The Company provided its witness identification on May 5, 2025. The Company also provided responses to two sets of interrogatories from Ms. Zonca.

To date, the Company has not received any witness information from the Complainant.

Therefore, the Company anticipates that it will only need to present one witness, John C. Ahr, in order to rebut any factual testimony offered at that time.

Based upon this information, the Company believes that the above-referenced proceeding is ready to proceed to an evidentiary hearing. The April 4, 2025 Interim Order required the parties to discuss available hearing dates as well as whether the hearing should take place telephonically or in-person. The Company contacted the Complainant and agreed upon a one-day telephonic evidentiary hearing to be held during the week of September 22. To the extent the suggested hearing dates are unavailable, the parties will coordinate to provide alternative dates.

¹ On January 1, 2024, FirstEnergy Corp.'s Pennsylvania operating companies (i.e., Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company, and Metropolitan Edison Company) merged into FirstEnergy Pennsylvania Electric Company ("FE PA"). Due to the merger transaction, FE PA became successor in interest to all matters previously belonging to the individual Pennsylvania operating companies. As such, the customers of the former Metropolitan Edison Company have their own separate and distinct rate district under FirstEnergy Pennsylvania Electric Company's tariff.
