Data Request

1. Your response to Question #5 of the Verified Statements is inadequate. When **asked to provide a plan you are expected to provide a PLAN which is fully responsive to each portion of the question** and to ensure that the plan satisfies the requirements of 52 Pa Code. You may hire a third party to execute the actual check, but you, as the applicant, are expected to establish a policy which complies with the governing laws and regulations. You are also expected to provide this Commission with written evidence of said plan/policies.

a. In reference to Question #5, you are specifically advised to review the requirements of the following chapters of 52 Pa Code **and to submit EVIDENCE of compliant plan for drivers which completely addresses the following:**

- § 29.504. Driver history (schedule and record retention)

As had been submitted, the applicant's policy fails to comply with the common carrier requirements of 52 Pa Code § 29.504(a)(2) for paratransit drivers and rather complies with the less stringent requirements of 52 Pa Code § 29.504(b)(2), which is specific to call or demand and limousine drivers.
