**INTERIM ORDER  
CANCELLING HEARING AND DIRECTING A STATUS REPORT**

On March 29, 2025, Amy Jennings (Complainant) filed a formal complaint requesting a new payment arrangement. She averred that her household size increased because her two children are now living with her. FirstEnergy Pennsylvania Electric Company filed an answer on May 27, 2025, denying the material allegations of the complaint. By hearing notice dated May 29, 2025, a telephone hearing was scheduled for July 24, 2025.

By email on July 22, 2025, counsel for the Respondent notified me that the parties had productive settlement discussions but requested a continuance of the hearing to complete their talks. The Complainant agreed with the request.

THEREFORE,

IT IS ORDERED:

1. That the request for a continuance is granted and the hearing currently scheduled for July 24, 2025, is cancelled.
2. That on or before August 21, 2025, counsel for FirstEnergy shall file a status report which provides an overview of the parties' attempts to resolve this dispute and which provides at least three alternate dates when all parties and their witnesses are available for

a rescheduled hearing. In the event that the parties have had productive settlement discussions, the status report may request a further continuance.

3. That in the event a certificate of satisfaction is filed, no status report is required.
