**MOTION FOR CONTINUANCE OF HEARING DATE**

PECO Energy Company ("PECO"), pursuant to 52 Pa. Code §1.15(b), hereby requests a continuance of the hearing date scheduled in this matter and states the following:

1. A telephonic hearing in this matter is scheduled to take place on Tuesday, July 29, 2025 at 10:00 a.m.
2. PECO is requesting a sixty (60) day continuance of the July 29, 2025, hearing date because the parties are in settlement discussions. The Complainant's complaint involves a transformer emitting a loud humming sound, which impacts the Complainant's quality of life. PECO has been unable to identify any sound outside of its standard. In an effort to address the Complainant's concern, PECO is contracting a third party with a calibrated meter to perform a sound test on the transformer.
3. PECO therefore respectfully requests a sixty (60) day continuance from the Hearing date in order to receive the test results.
4. The Prehearing Order in this matter states that requests for a continuance are only granted where "good cause" exists.
5. PECO avers that "good cause" exists to continue the scheduled hearing to another date because the parties may be able to resolve the matter.

6. This is the Respondent's first Continuance request in this matter. Respondent is aware that the Commission encourages settlements.

7. The Complainant has no objection to the Continuance request.

8. PECO respectfully requests that the hearing be continued to a further date.

Respectfully Submitted,

---
