RE: Continuous Bond
Enel X Advisory Services USA LLC
A-2025-3055181

Dear Ms. Boscic:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Enel X Advisory Services USA LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument does not have a "wet ink" original signature for the principal company.

Please file the originally signed and sealed security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary
