RE: Continuous Bond
Ecom-Energy of California, Inc.
A-2017-2587729

Dear Mr. Lopez:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Ecom-Energy of California, Inc. because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

In all locations where the name of the Principal appears, please note that this must match exactly with the license issued by the Commission. Please ensure all punctuation is correct.

We have on file a corrected Continuous Bond (received on June 23, 2025 signed, sealed and dated on June 18th, 2025) therefore, no further action is required at this time.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher
Secretary
