RE: Abandonment of the Act 127 Registration for The Pennsylvania State University.

Dear Mr. Puzak:

This letter acknowledges receipt of The Pennsylvania State University's (Penn State) notification to the Pennsylvania Public Utility Commission (Commission) regarding its application to abandon its Act 127 registration at Docket No. A-2018-3001882. As you state, the reported 0.1 mile of gas pipeline was erroneously registered under Act 127. You further state that natural gas services to Penn State's facilities have always been provided by Columbia Gas of Pennsylvania, Inc. through a meter and regulator set installed into a Penn State-owned gas line. For these reasons, the Commission will remove Penn State from its Act 127 registry.

The Commission reminds Penn State that if it were to acquire any jurisdictional assets in the future, it must file an Initial Registration Form with the Commission in order to comply with the mandates of Act 127.

Please direct any questions to Lee Yalcin, Financial Analyst, Technical Utility Services at email lyalcin@pa.gov (preferred) or (717) 787-6723.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
