SECRETARY'S BUREAU

Application of Sure Step Transit LLC for Paratransit authority, 815 Seymour Street, Lancaster, Lancaster County, Pennsylvania 17603. (203) 428-5958

case docket number: A-6227981

A-2025-3055242

I, Pegguy Myrtil, is writing this statement on behalf of Sure Step Transit LLC for Paratransit Authority, for a Petition for Reconsideration from Staff Action. Thank you for your patience as my organization navigates this process.

- A new dated Financial Statement, written by a Financial Professional, has been provided, including requested/necessary documents.
- New Policies for hiring/employment of Sure Step Transit LLC drivers that comply with the Commission's regulation is provided.

Please see the attached documents requested by the Commission for a consideration of the Certificate of Public Convenience for Sure Step Transit LLC

- **Failure to establish financial fitness to operate.** Under 52 Pa. Code §41.14(1) The Commission is to determine whether an applicant possesses the technical and financial ability to provide the proposed service. On June 18, 2025, the applicant was issued a data request directing them to provide a new current statement of financial position, as well as supporting documentation that verified the applicant's financial position. They were informed that they should fully fund and equip the business prior to submitting their response, and that applicants lacking suitable finances, resources and equipment would be denied authority. In their response, the applicant failed to provide any evidence of the necessary equipment, nor did they provide any of the requested supporting evidence establishing their financial fitness. Therefore, it has been determined that the applicant lacks the financial fitness required to provide safe, efficient, and reliable transportation.

See Attached

- **Failure to establish fitness to operate.** Under 52 Pa. Code §41.14(4) The Commission is to determine whether an applicant possesses the technical and financial ability to provide the proposed service. On June 18, 2025, the applicant was issued a data request directing them to provide compliant policies/plans for the hiring/employment of drivers of its vehicles. In its request, the Commission provided the relevant statutory citations and relevant guidance for the applicant to reference when preparing its revisions. In its response to the Commission's data request the applicant has been unable to provide policies for the hiring/employment of its drivers that complied with the Commission's regulations. Therefore, it has been determined that the applicant lacks the technical fitness required to provide safe, efficient, and reliable transportation.

See Attached

I, (Pegguy Myrttil), hereby state that the facts above set forth are true and correct (or are true and correct to the best of my knowledge, information, and belief) and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities).
