I'm asking for a postponement on the hearing date due to my dad being hospitalized on June 26 I received a call my dad was in a dietetic shock slipping into a coma in Philadelphia pa. On July 13th I returned home as dad was moved to rehab in West Chester county nursing rehab. As of the 14th the social worker along with physical therapist have informed me my dad brain was fried and have to learn all over again. I have to make arraignments to move him to Pittsburgh find housing medical care etc... meanwhile I am doing my best to get caught up i will be paying as promise I just asking to change the date . . I just need two months to get everything in order if possible. If you need to verify any of the medical information I can provide name of hospital my dad is located at.

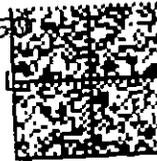

Yours,

Rosalyn Cheplick
