RE: Continuous Bond
Andrew Bakey
A-2022-3034280

Dear Mr. Bakey:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Andrew Bakey because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

Handwritten modification to a bond is not permitted. All modifications must be made by the surety company as evidence of their awareness of and consent to that change.

Please file the **corrected, originally signed and sealed security** instrument with my office within 10 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher
Secretary
