Re: Aqua Pennsylvania Wastewater, Inc.'s Supplement No. 4 to Sewer – Pa.
P.U.C. No. 4; Compliance Filing

Dear Mr. Hassell:

Aqua Pennsylvania Wastewater, Inc. (the Company) filed Supplement No. 4 to Sewer – Pa. P.U.C. No. 4 to become effective on July 21, 2025. Supplement No. 4 to Sewer – Pa. P.U.C. No. 4 was filed in compliance with the Commission's Opinion and Order entered June 18, 2025 at Docket No. A-2022-3033138, and authorizes the Company to begin to offer, render, furnish, or supply wastewater services within the City of Beaver Falls located in Beaver County, consistent with Appendix F to the Joint Petition. The Company re-filed pages due to minor formatting and language corrections at the behest of Commission staff.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 4 to Sewer – Pa. P.U.C. No. 4 is effective by operation of law as of the effective date contained on each page of the corrected supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Vanessa Johns, Bureau of Technical Utility Services, at (717) 214-9114 or vanjohns@pa.gov.

Sincerely,

Matthew L. Homsher
