Docket Nos. G-2023-3045143 and G-2024-3050728

Affiliated Interest Arrangement between UGI Utilities, Inc. and Mountaineer Gas Company, UGI Energy Services, LLC, and AmeriGas Propane, Inc.

Responses to TUS-1 and TUS-2

July 25, 2025

TUS-1

Request:

Reference the filing, page 1. Please provide an updated organizational chart showing the relationship between all parties to the amended agreement.

Response:

Please see Attachment TUS-1-1.

TUS-2

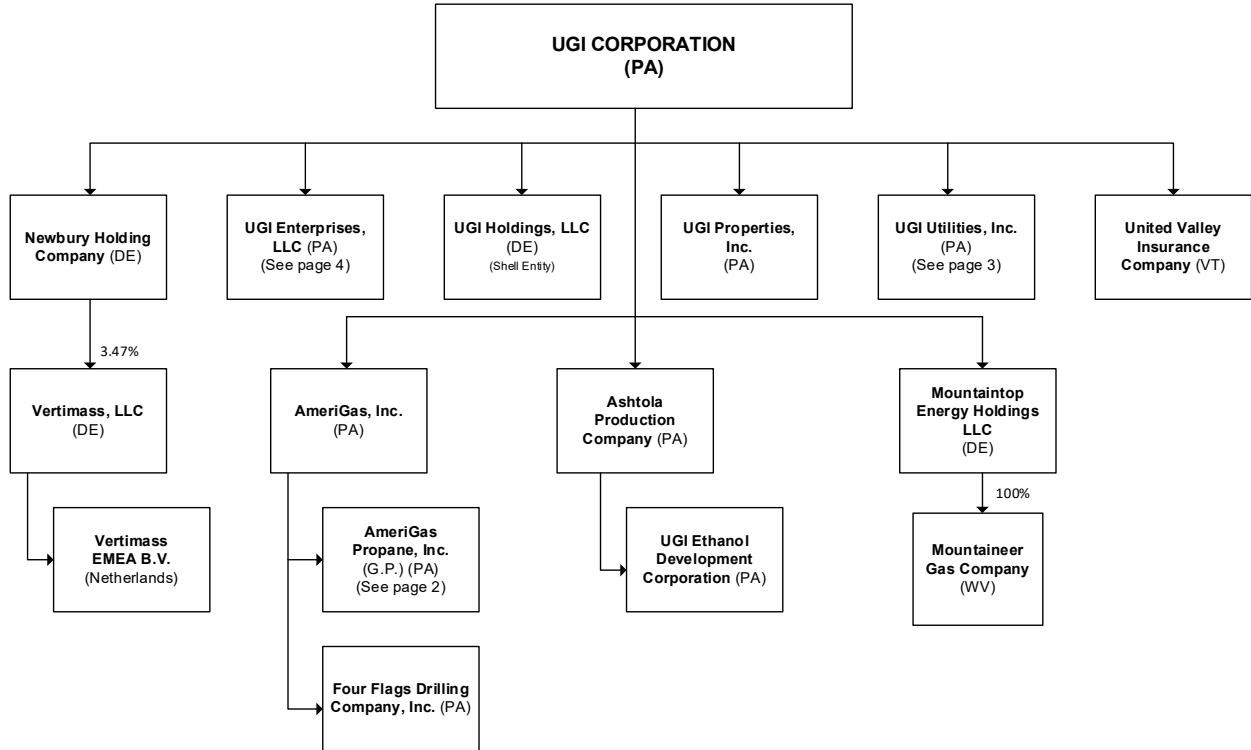

Request:

Reference the filing, page 1. Please explain all revenue and ratemaking implications the amended agreement may have.

Response:

The proposed Affiliated Interest Agreement (“AIA”) modifications are not intended to change any revenue and ratemaking implications as the purpose of the AIA is to: (1) reflect the current corporate structure, i.e., removal of UGI Development from the AIA; (2) achieve efficiencies by ensuring that UGI Utilities, Inc. and Mountaineer Gas Company operate under the same/identical agreement; and (3) permit monthly or quarterly payment flexibility for services rendered.

Attachment TUS-I-1
