Docket Number A-2022-3034280 - Electricity

PA PUC

I am responding to the Tentative Order on Bakey Enterprises LLC for the “wet” signature surety bond that was requested. Originally, I sent this document in June but then was told that I did not sign it and that I had a “,” in my company name that needed to be removed. I then waited for it to be returned and then added my “wet” signature, removed the “,” and mailed it on 7/21 and it was received on 7/23. (Attention Matthew Homsher)

“The Electric Generation Supplier must file an original bond, letter of credit, continuation certificate, amendment, or other approved financial instrument displaying a “wet” signature or digital signature, preferably in blue ink, and displaying a “raised seal” or original notary stamp with Matthew L. Homsher, Secretary, Pennsylvania Public Utility Commission, 400 North Street, Harrisburg, PA, 17120”

The USPS tracking number is **9505513770375202861194**

This should now satisfy the requirements of the PA PUC and therefore remove the cancellation process for Bakey Enterprises LLC.

Please follow up with an email to abakey@docbakey.com to notify me of the cancellation.

Sincerely;

Andrew Bakey, PE
President
