RE: Electric Generation Supplier License Application

Dear Mr. Atary:

On July 10, 2025, the Pennsylvania Public Utility Commission (Commission) received Elite Energy Solutions, LLC's Application for an Electric Generation Supplier (EGS) license.

The applicant stated throughout its EGS Application Package that the name of the applicant is "Elite Energy Solutions LLC". According to the applicant's PA Department of State registered name, the name must be written as "Elite Energy Solutions, LLC" (notice the punctuation difference). All instances of this error must be corrected throughout the EGS Application Package.

Additionally, Sections 11.a, 11.b, and 13 of the Application were incomplete or not properly completed (ex. #11.a & b both affidavits need the name corrected as stated above). In order for the Commission to accept the Application for review, these deficiencies must be corrected. Failure to respond timely will result in the Application being deemed rejected¹ and the docket will be closed.

Please use the Commission's efilng system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 20 days** from the date of this letter. Please submit revised Application pages for each section. The Commission accepts all public documents through our efilng system and strongly recommends companies open an efilng account through the Commission's website at <https://efiling.puc.pa.gov>. Use of the efilng system will ensure that submissions by the company are received timely and receipt can be verified.

¹ See Pa. Code 52 § 54.32(e)

The overnight address for hard-copy responses is:

Matthew L. Homsher, Secretary
Pennsylvania Public Utility Commission
400 North Street
Harrisburg, PA 17120

Please note that all documents requiring notary stamps must have original signatures.

If Elite Energy Solutions, LLC decides to withdraw its Application, please reply notifying the Commission of such a decision.

Finally, if any problems arise that prevent a full timely response or if any clarification of this letter is required, please contact Jeff McCracken of the Commission's Bureau of Technical Utility Services via e-mail at jmccracken@pa.gov (preferred) or (717) 783-6163.

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is written in a cursive style with a large, stylized initial "M".
