Request for Information

1.) Please note, there is a balance of \$184.00 owed for outstanding assessments accrued while active under the Certificate of Public Convenience at docket # A-2016-2561641. As such, before we can move forward with the application this balance needs to be paid. Contact us at RA-PCPUCASSESSMENTS@pa.gov or 717-265-7548 to make your outstanding payment. What steps does management intend to implement to ensure familiarity and compliance with the Commission's assessment requirements?

2.) Your proposed service area is insufficiently clear. Your requested territory must have boundaries. This may be achieved by using county / counties names. Please revise your request with keeping the Commission's criteria in mind or verify that the example below is what you now intend.

- The Commission is specifically concerned with the location in which trips by your company will originate.

Example: *To transport, as a common carrier, by motor vehicle, persons in group and party service, in vehicles seating 11 to 15 passengers, including the driver, from Luzerne County, to points in Pennsylvania, and return; excluding service that is under the jurisdiction of Philadelphia Parking Authority.*

3.) Question # 5 of the Verified Statement

Provide compliant policies that satisfy the requirements of 52 Pa Code with revision to the specific chapters below. Please review Title 52 information online, which may be accessed at www.pacode.com.

A.) § 29.503. Age restrictions. (minimum age): Will drivers be at least a certain minimum age?

B.) § 29.505. Criminal history. How often will record checks be done?

4.) Question # 5 of the Verified Statement.

- A.) What is your projected annual cost for commercial coverage and which companies have you received quotes from?
- B.) Have you verified that your policy would support the filing of the required Form E with the Commission?
- C.) What steps has management implemented to ensure continuous insurance coverage for all vehicles in provision of service to the public?

5.) Financial Position.

- A.) Please verify that all assets and debts listed (for example: vehicle loan balances/vehicle asset value, etc.) in the submitted Statement of Financial Position (Balance Sheet) are held by the applicant (Vasquez Transportation LLC) and not the member(s). Any property listed MUST be held to the company which is applying for authority. In your submission, you provided information which states the company owns land/building(s). We need to know if the applicant is co-mingling its assets/debts, which is not permissible. If you have erroneously comingled the applicant's company assets/debts with those of the company member's personal assets/debts, then a revised and improved Balance Sheet with an explanation of what was changed and why is required.
- Based on submitted information on the application and balance sheet, the Commission determines that Vasquez Transportation LLC lacks financial position to gain a Certificate of Public Convenience.
 - To show improved financial fitness you should show a substantial cash asset amount to cover any costs, vehicle maintenance, insurance coverage, assessments, or possible fines, etc.

- Please ensure that the figures provided are accurate as of the date provided on the balance sheet, and that all figures provided are based on the best available information. The information is to be exact and should not include estimates or approximations when accurate numbers are available.
- B.) At this point it is expected that the applicant's account is now filled and ready to commence operations with the ability to provide safe, efficient, and reliable service. Please provide supporting documentation for the improved balance sheet. Acceptable means of support include current copies of bank statements or notarized/official statements of account balances/ownership provided by bank officers (with current contact information) in the name of "Vasquez Transportation LLC". (account numbers may be redacted).
- Any assets which may need transferred to the applicant should happen prior to adding them to the balance sheet.
- C.) Submit proof of ownership of the claimed vehicles and the land/building, such as registrations, titles, purchase agreements, etc. All proof must be in the name of "Vasquez Transportation LLC".

Note: It is the responsibility of the applicant seeking motor common carrier authority to demonstrate that it possesses the financial ability to provide the proposed service. As per 52 Pa. Code §41.14, applications may be denied if the applicant fails to satisfy fitness standards. Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney or financial expert familiar with Commission regulated Motor Carrier-related proceedings is highly encouraged.
