A-2025-3056493

TO ALL PARTIES OF RECORD

Application of PPL Electric Utilities Corporation for approval to alter the crossing (DOT 589 189 R) by raising its existing aerial electric facilities where Depot Street formerly crossed, at grade, a single track of SEDA-COG Joint Rail Authority, operated thereon by Lycoming Valley Railroad Company located in the City of Williamsport, Lycoming County.

To Whom It May Concern:

This matter is before the Commission by reason of an application filed by PPL Electric Utilities Corporation requesting Commission approval to alter the crossing (DOT 589 189 R) by raising its existing aerial electric facilities where Depot Street formerly crossed, at grade, a single track of SEDA-COG Joint Rail Authority, operated thereon by Lycoming Valley Railroad Company located in the City of Williamsport, Lycoming County. The subject application was received by the Commission on July 24, 2025.

After a careful review of the record pertaining to the subject application (A-2025-3056493), we find that the crossing (DOT 589 189 R) was previously abolished by Commission proceeding docketed at A-2016-2530434 and is therefore not a public crossing. Since the subject alteration will not occur within the joint right-of-way of a public crossing, the Commission will dismiss the application for lack of jurisdiction.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that:

1. The caption of the subject proceeding is hereby revised as shown herein.
2. The application received by the Commission on July 24, 2025, docketed at A-2025-3056493 be dismissed for lack of jurisdiction.
3. The case be "CLOSED."

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered. All filings should be addressed to the Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120. The Commission will not accept documents delivered by fax or by e-mail. Parties are encouraged to file formal documents by eFiling with the Secretary of the Commission by opening an eFiling account through the Commission's website (the account is free of charge) and accepting eservice at <https://www.puc.pa.gov/filing-resources/efiling/>.

If your filing contains confidential material, you are required to file by overnight delivery to ensure the timely filing of your submission. There are certain filings that cannot be eFiled, such as filings containing confidential or proprietary material. These must be submitted to the Secretary by overnight delivery, priority, or certified mail to allow tracking of your filing.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code §§ 1.31 and 5.44, file a Petition for Reconsideration from Staff Action (Petition) with the Commission within twenty (20) days of the date of this letter. The Petition shall be eFiled with the Secretary of the Commission or sent to: Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120, and must be filed within twenty (20) days, or if no timely request is made, the action will be deemed to be a final action of the Commission.

The Petition MUST include: (1) a written statement (divided into numbered paragraphs) outlining the reasons for the request; (2) the case docket number (it is provided for you at the top right-hand corner of this letter); (3) the party on whose behalf the petition is made; (4) a Certificate of Service on the other parties of record; and (5) a Verification with original signature in accordance with 52 Pa.
