Docket Nos. A-2025-3053636 & A-2025-3053635**

Dear Secretary Homsher:

I am writing on behalf of our client, PWF | High Meadows, LLC d/b/a High Meadows (“High Meadows”), in the above-referenced matter regarding an extension of time to respond to Data Request # 1. This Data Request makes extensive requests for information which will take High Meadows considerable time to produce. High Meadows will respond with the information by September 30, 2025, or sooner if possible.

I have been in contact with Clinton McKinley, the Fixed Utility Valuation Engineer who is leading the staff review of the High Meadows Joint Application, and discussed this matter with him.

Sincerely yours,

Benjamin C. Dunlap, Jr.
