Dear Rowee Atary:

We are pleased that Elite Energy Solutions, LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Elite Energy Solutions, LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Elite Energy Solutions, LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Elite Energy Solutions, LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Elite Energy Solutions, LLC changes in the future, Columbia Gas might deem it appropriate to require Elite Energy Solutions, LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4881 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Debbie Vair

RE: Security Requirement Bond for Elite Energy Solutions, LLC

Dear Rowee Atary:

Philadelphia Gas Works ("PGW") is aware that Elite Energy Solutions, LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Elite Energy Solutions, LLC must furnish acceptable security to each utility where Elite Energy Solutions, LLC will do business. As such, under its tariff, Philadelphia Gas Works could require Elite Energy Solutions, LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that Elite Energy Solutions, LLC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that in performing these services Elite Energy Solutions, LLC will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, Elite Energy Solutions, LLC does not need to post a bond or other form of security to operate in its service territory. If the services provided by Elite Energy Solutions, LLC should change, Philadelphia Gas Works reserves the right to require security from Elite Energy Solutions, LLC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 215-684-6726.

Sincerely,

Robert Smith

Dear Rowee,

National Fuel Gas Distribution Corporation ("NFGDC") is aware Elite Energy Solutions, LLC (EES) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, EES must furnish acceptable security to each utility where EES will do business. As such, under its tariff, NFGDC could require EES to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that EES intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, EES will never take title to any delivered natural gas, nor will it accept any customer payments or deposits.

Based upon your representations, NFGDC has determined that, at this time, EES does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by EES change in the future, NFGDC reserves the right to require security from EES as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 716-857-7541.

Re: Bonding Requirements

Dear Ben Moyal:

PECO is aware that Elite Energy Solutions, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application Elite Energy Solutions, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Elite Energy Solutions, LLC has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers; will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Elite Energy Solutions, LLC, does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Elite Energy Solutions, LLC, or the creditworthiness requirement for PECO's exposure to Elite Energy Solutions, LLC changes in the future, PECO reserves the right to require Elite Energy Solutions, LLC to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Trevor Hope at Trevor.Hope@exeloncorp.com

Dear Mr. Atary:

We are pleased that Elite Energy Solutions, LLC has applied for a license to provide natural gas services on Peoples Natural Gas Company LLC.

Since Elite Energy Solutions, LLC is not currently serving customers on the Peoples systems, we have determined at this time that Elite Energy Solutions, LLC does not need a bond or other financial security requirement to provide these services to the Company's customers.

If a Pool is established, and customers are enrolled which alters the creditworthiness requirement or the Company's exposure to Elite Energy Solutions, LLC's provision of services on the Peoples' system changes in the future, the Company may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6931 or by email at Carol.Scanlon@peoples-gas.com.

RE: Elite Energy Solutions, LLC
 Application to Serve as a Natural Gas Broker

Dear Mr. Atary,

Based on your assertion that Elite Energy Solutions, LLC ("Elite Energy") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities, Inc.-Gas Division ("UGIU") has concluded that Elite Energy will not need to post security with UGIU. This is based on the declaration that Elite Energy will be acting in conjunction with a licensed natural gas supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the UGIU Tariff. If Elite Energy wishes to directly serve Choice customers in the service territories of UGIU in the future as a natural gas supplier, it will have to post security as specified in the UGIU Tariff prior to the commencement of the service.

Please feel free to contact me with any additional questions you may have.

Sincerely,
