SECOND Request for Information

1. In order to use the trade name, EX TRANSPORTATION NEMT, it must be officially registered with the PA Department of State. As of today, that has not been done.
2. Once the registration has been made, please fill out a new page one of the application, to indicate how the business is to be designated officially. Note that however the business names are registered with the PUC, it will need to be the same on any vehicle registration, as well as the submitted insurance forms: i.e.: Ex Transportation LLC t/a Ex Transportation NEMT is a possibility, but understand that all must match exactly to get PUC Certification. Call with any questions.
