**RE: Steam Cost Rate
Effective September 1, 2025
M-2025-3055974**

Dear Mr. Carty:

The Bureau of Audits has reviewed Vicinity Energy Philadelphia, Inc.'s (Vicinity) proposed Steam Cost Rate (SCR) and the supporting rate computations submitted on July 31, 2025, to become effective on September 1, 2025.

Based upon staff review, it appears that the proposed SCR for the twelve-month period of September 1, 2025 through August 31, 2026 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

Vicinity is directed to take the following action:

1. Vicinity is to properly inform its customers of the SCR rate change for the period September 1, 2025 through August 31, 2026.

The SCR is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3055974.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
