RE: Steam Cost Rate
Effective September 1, 2025
M-2025-3056273

Dear Ms. Chaposky:

The Bureau of Audits has reviewed Energy Center Harrisburg, LLC's proposed Steam Cost Rates (SCR) and the supporting rate computations submitted on July 30, 2025 to become effective on September 1, 2025.

Based upon staff review, it appears that the proposed SCRs for the twelve-month period of September 1, 2025 through August 31, 2026 are consistent with the tariff, and accordingly, are permitted to become effective as filed.

Energy Center Harrisburg is directed to take the following action:

1. Energy Center Harrisburg is to submit, within ten days, the appropriate tariff supplement to become effective September 1, 2025, reflecting the SCR revised rates.
2. Energy Center Harrisburg is to properly inform its customers of the SCR rate change for the period September 1, 2025 through August 31, 2026.

The SCR is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3056273.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
