Resources, LLC (“STL” or “Respondent”) alleging violations of Act 13 related to the 2024 calendar year. In support of its Complaint, I&E respectfully represents the following:

I. PARTIES AND JURISDICTION

1. The Pennsylvania Public Utility Commission (“Commission”), with a mailing address of 400 North Street, Harrisburg, PA 17120, is a duly constituted agency of the Commonwealth of Pennsylvania empowered to make all inquiries and determinations necessary to calculate and collect the fees, administrative charges, and assessments imposed under Act 13, including, if applicable, interest and penalties.

3. Respondent is an unconventional gas well producer, as defined in Section 2301 of Act 13, 58 Pa.C.S. § 2301, with a main mailing address of 1603 Carmody Court, Suite 303, Sewickley, PA 15143, Attn. Eric Ondrasik.

4. Pursuant to the provisions of the applicable Commonwealth statutes and regulations, the Commission has jurisdiction over the subject matter of this Complaint and the actions of Respondent related thereto.

II. BACKGROUND

5. Chapter 23 of Act 13 authorizes the Commission to collect, administer, and distribute fees collected from unconventional gas well producers.¹

6. Impact fees imposed under Act 13 were due by September 1, 2012, for wells spud² before January 1, 2012, and April 1 for each subsequent year. 58 Pa.C.S. § 2303(a).

¹ An "unconventional gas well" is a "bore hole drilled or being drilled for the purpose of or to be used for the production of natural gas from an unconventional formation." 58 Pa.C.S. § 2301. An "unconventional formation" is a "geological shale formation...where natural gas generally cannot be produced at economic flow rates or in economic volumes except by vertical or horizontal well bores stimulated by hydraulic fracture treatments or by using multilateral well bores or other techniques to expose more of the formation to the well bore." *Id.*

² "Spud" is defined as "[t]he actual start of drilling of an unconventional gas well." 58 Pa.C.S. § 2301.

7. Act 13 also authorizes the Commission to impose an annual administrative charge, not to exceed \$50 per spud unconventional gas well, to cover the actual costs incurred to enforce the requirements of Act 13. 58 Pa.C.S. § 2303(c)(1).³

8. Administrative charges must be paid with impact fees on April 1 of each year. 58 Pa.C.S. § 2303(c)(1).

9. The Act provides that, for producers with delinquent fees, the Commission shall assess interest. 58 Pa.C.S. § 2308(a). For the 2024 calendar year, the interest rate was set at 8.0% pursuant to 61 Pa. Code § 4.2.

10. In addition to the assessed interest, the Commission shall add a penalty of 5% of the amount of the fee if the failure to timely pay is for less than one month, with an additional 5% penalty for each additional month or fraction of a month, not to exceed 25% in the aggregate. 58 Pa.C.S. § 2308(b).

11. The Commission may also assess civil penalties of up to \$2,500 for each unpaid impact fee for each day that a producer fails to make and continues to fail to make timely payment. 58 Pa.C.S. § 2310. In determining the amount of the penalty, the Commission shall consider the willfulness of the violation and other relevant factors. *Id.*

12. As a producer, Respondent is required to file an Annual Report with the Commission listing the number of its spud unconventional gas wells subject to impact fees and administrative charges for the previous calendar year. 58 Pa.C.S. § 2303(b). The Annual Report for 2024 was due by April 1, 2025.

³ See also *Act 13 of 2012 - Implementation of Unconventional Gas Well Impact Fee Act*, Docket No. M-2012-2288561 (Order entered July 15, 2021) (“Order”).

13. Respondent timely filed⁴ with the Commission the Annual Well Summary Report for 2024, which is attached hereto as Attachment A⁵.

14. According to Respondent's Annual Well Summary Report for the 2024 calendar year, Respondent operated 52 unconventional wells as designated by Pennsylvania Department of Environmental Protection ("DEP") permit numbers. Concerning the 52 wells, Respondent owes \$621,100 in impact fees and \$2,600 in administrative charges⁶, for a total of \$623,700. *See* Attachment A.

15. Respondent's payment of \$623,700 was due on April 1, 2025, as evidenced by the Fiscal Office of the Commission's Bureau of Administration's ("Fiscal Office") Impact Fee Statement and Spud Fee Statement ("Invoices") dated February 3, 2025. The Invoices are attached hereto as Attachment B.

16. On April 25, 2025, the Fiscal Office emailed Respondent a Past Due Impact Fee Statement and Past Due Spud Fee Statement ("Past Due Invoices"). The Past Due Invoices are attached hereto as Attachment C.

17. Respondent did not submit a dispute contesting the imposition of the impact fees and administrative charges related to the 2024 calendar year.

18. Respondent failed to pay any amount of the impact fees and administrative charges related to its unconventional gas well operations in Pennsylvania for the 2024 calendar year.

⁴ Respondent filed the Annual Well Summary Report for Reporting Year 2024 on February 3, 2025.

⁵ Attachment A included in this filing is an updated Annual Well Summary Report provided by the Fiscal Office of the Commission's Bureau of Administration. The original Annual Well Summary Report, included as Exhibit A to the Notice of Amount Due, contained only the list of Respondent's spud unconventional gas wells subject to impact fees and administrative charges for the previous calendar year but did not include identifying information (i.e., producer name, client identification number, reporting type, reporting year, impact and spud fee amounts, and impact and spud fee amounts paid).

⁶ For 2024, the administrative charge due under Act 13 was \$50 per well. 58 Pa.C.S. § 2303(c)(1); *See also* Order.

19. By Notice of Amount Due dated May 21, 2025, the Fiscal Office notified Respondent of the deficiency. The Notice of Amount Due is attached hereto as Attachment D.⁷

20. In the Notice of Amount Due, the Fiscal Office provided Respondent with an additional twenty (20) days to either pay the entire delinquent amount of \$623,700 or file a written response with the Commission. *See* Attachment D.

21. The Notice of Amount Due further provides that the Commission may assess interest and penalties on the delinquent impact fees and administrative charges if Respondent fails to pay the amounts due. *Id.*

III. VIOLATION

22. All allegations in paragraphs 1-21 are incorporated as if fully set forth herein.

23. To date, Respondent has failed to comply with Act 13 in that it has not paid the impact fees and administrative charges imposed under the Act for its 52 unconventional gas wells with DEP well permit numbers related to the 2024 calendar year. Payment in full of the impact fees and administrative charges for these wells was due by April 1, 2025, and a current balance of \$623,700 remains.

24. If proven, this is a continuing violation of 58 Pa.C.S. § 2303(c) from April 1, 2025, until the impact fees and administrative charges are paid in full.

IV. RELIEF REQUESTED

25. Based on the foregoing allegations, the Bureau of Investigation and Enforcement hereby requests that Respondent be directed to pay a total of \$959,521, as detailed below:

- a. Respondent be ordered to pay its past due impact fees and administrative charges related to the 2024 calendar year in the amount of \$623,700;

⁷ Exhibit A of the Notice of Amount Due, which is a copy of Respondent's Annual Well Summary Report for the 2024 calendar year, has been omitted from Attachment D as the updated document has already been produced in Attachment A.

- b. Respondent be ordered to pay interest at an interest rate of 8.0% of the amount due for a sum of \$49,896 pursuant to 58 Pa.C.S. § 2308(a);
- c. Respondent be ordered to pay a penalty of 25% of the amount due for a sum of \$155,925 pursuant to 58 Pa.C.S. § 2308(b);
- d. Respondent be ordered to pay a civil penalty of \$130,000⁸ pursuant to 58 Pa.C.S. § 2310(a); and
- e. The Commission grant such other relief as the Commission deems appropriate.

WHEREFORE, for all the foregoing reasons, the Bureau of Investigation and Enforcement of the Pennsylvania Public Utility Commission respectfully requests that, after consideration of the record, the Office of Administrative Law Judge and the Commission find S.T.L. Resources, LLC in violation of each and every count as set forth herein and grant the relief specified above.

Respectfully submitted,
