**RE: Application of Rex-Beni Transportation and Logistics, LLC, 851 Alter St., 2nd Fl., Hazleton, Luzerne County, PA 18201. 570-599-0316**

To Whom It May Concern:

The purpose of this Letter is to advise you that your Application, Docket No. A-2025-3056159, has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience **WILL NOT BE GRANTED** for the following reason(s):

- **Lack of financial fitness:**

On July 9, 2025, the applicant submitted an application for call or demand authority. Upon review numerous deficiencies were noted. The applicant was subsequently issued two separate data requests seeking to establish the applicant's fitness to operate and its ability to provide safe, efficient, and reasonable service.

In the course of the applicant's responses, probable issues were observed with the applicant's intended business model and its financial fitness. Review of the applicant's supporting documentation and submitted statements indicated a lack of financial liquidity and a lack of essential vehicular equipment. Despite two attempts by the Commission to elicit evidence of a registered vehicle, the applicant has still failed to establish that it owns a vehicle with which to provide the requested service.

In weighing the applicant's minimal cash reserves against its need to obtain a vehicle which is able to be properly registered and plated exclusively for call or demand service, to modify said vehicle with a meter system and appropriate dome lighting, and to maintain said vehicle; the Commission believes the applicant to lack the requisite level of financial fitness.

**For these reasons the application is DISMISSED and DENIED**
