Docket No.  
A-6427806

A-2025-3053956

## PETITION FOR EXTENSION OF TIME

NOW COMES Ark Life Services, Limited Liability Company (“Applicant”), by and through its undersigned representative, and respectfully requests that the Commission grant an extension of time to file Applicant’s tariff rates and proof of insurance, and in support thereof states as follows:

1. On June 26, 2025, the Commission directed Applicant to submit its tariff rates and proof of insurance by August 25, 2025.
2. Applicant has acted diligently to comply with these requirements. Applicant secured a vehicle which had been converted for wheelchair-accessible service by the conversion company FR Conversions through Team Toyota of Glenmills, PA. However, in the end, the ADA conversion on the vehicle did not pass required testing, and as a result, the purchase could not be completed.
3. Without a properly converted and insurable vehicle, Applicant is unable to finalize insurance coverage or accurately complete its tariff submission.
4. Applicant is in the process of securing a replacement vehicle that meets ADA standards and will allow it to bind appropriate coverage and finalize its tariff.
5. Applicant respectfully submits that this unforeseen development constitutes good cause under 52 Pa. Code § 1.15(a) for a brief extension of time.
6. Applicant requests an extension of 30 days, to September 25, 2025, to allow sufficient time to complete the vehicle acquisition and make the required filings.

**PRAYER FOR RELIEF**

WHEREFORE, Ark Life Services, Limited Liability Company respectfully requests that the Commission grant an extension of time until September 25, 2025 to file its tariff rates and proof of insurance, and for such other relief as the Commission deems just and proper.

Respectfully submitted,

Rosemary Oluwo
