

PUC Application Addendum

Application for Motor Common Carrier of Persons in Paratransit Service

Clarification for Question 10: Service Area Description

To transport persons in wheelchair-accessible and standard paratransit vehicles, including but not limited to individuals with disabilities, seniors, and clients requiring non-emergency medical transportation, from points in the counties of Philadelphia, Bucks, Montgomery, Chester, and Lehigh to other points within the Commonwealth of Pennsylvania, and return.

This service will be provided on a nonexclusive, advance reservation basis, and may include but is not limited to:

- Transportation to and from medical appointments, dialysis centers, adult day programs, rehabilitation clinics, and nursing homes.
- Transportation of individuals whose personal beliefs or physical limitations prevent them from operating a motor vehicle.
- Transportation from private residences or group homes to community-based activities or essential services.

No airport service will be rendered under this authority.
