SUBJECT: Replacement Page to PECO Energy Company Tariff Electric Pa. P.U.C. No. 1S, Supplement No. 35 Issued April 16, 2025 to become effective on June 1, 2025, Docket No. M-2025-3054593

Dear Secretary Homsher:

PECO Energy Company previously issued Tariff Supplement No. 35 to PECO's Tariff Electric – Pa P.U.C. No. 1S on April 16, 2025 bearing an effective date of June 1, 2025. This letter transmits for filing with the Commission replacement Page 22, which removes Rule 5.4.3 for "Return of Standard Offer Program ("SOP") Customers to Default Service". Also included in the filing is a replacement page for the List of Changes to reflect the updated page revision.

Rule 5.4.3, related to PECO's Standard Offer Program, was originally part of the Joint Petition for Approval of Non-Unanimous Settlement ("Joint Petition") at Docket No. P-2024-3046008. However, Ordering Paragraph No. 6 of the Commission's Opinion and Order, adopted November 7, 2024, modified the Joint Petition by directing PECO to continue its Standard Offer Program in accordance with existing Commission regulations, making this proposed rule no longer applicable. PECO inadvertently failed to remove the rule when filing this supplement.

Thank you for your assistance in this matter and please direct any questions regarding the above to Megan McDevitt, Sr. Manager, Retail Rates at 267-533-1942 or email at Megan.Mcdevitt@exeloncorp.com.

LIST OF CHANGES MADE BY THIS SUPPLEMENT

5.4.1 Arrangements with EGS Customers – 5th Revised Page No. 22

New rule added as per DSP Vi settlement at Docket No. P-2024-3046008.

preceding process is complete, the Company will notify the Customer's prior EGS, via an EDI transaction, of the discontinuance of service to the Customer from that prior EGS.

5.3.4

(a) If a Customer contacts the Company to discontinue electric service at the Customer's then current location, and initiates a request for service at a new location in the Company's service territory, the Company will notify the current EGS, via an EDI transaction, of the Customer's discontinuance of service for the account at the Customer's old location. If relocating within the Company's service territory, the Company will seamlessly move the current EGS to the new location if all qualifications are met in accordance with PUC Order M-2014-2401085.

(b) If a Customer contacts the Company to discontinue electric service and indicates that the Customer will be relocating outside of the Company's service territory, the Company will notify the current EGS, via an EDI transaction, of the Customer's discontinuance of service for the account at the Customer's location.

5.4 Provisions relating to an EGS's Customers.

5.4.1 Arrangements with EGS Customers. EGSs shall be solely responsible for having appropriate contractual or other arrangements with their Customers necessary to implement Direct Access consistent with all applicable laws, PaPUC requirements, and this Tariff. The Company shall not be responsible for monitoring, reviewing or enforcing such contracts or arrangements.

Beginning June 1, 2025, consistent with Docket No. P-2024-3046008, EGS's shall **(C)** not charge any early termination, cancellation or other add-on fees to customers transitioning to PECO's Customer Assistance Program ("CAP").

5.4.2 Transfer of Cost Obligations Between EGSs and Customers. Nothing in this Tariff is intended to prevent an EGS and a Customer from agreeing to reallocate between them any charges that this Tariff imposes on the EGS, provided that any such agreement shall not change in any way the EGS's obligation to pay such charges to the Company, and that any such agreement shall not limit the right of the Company to seek recourse directly from the EGS's Customer for any charges owed to the Company by the EGS Customer or preclude the termination or reconnection of the EGS Customer by the Company as provided in the Company's tariffs.
