**RE: Petition for Reconsideration of Dismissal of Fellowship Supports Coordination Agency, Inc Application.**

Docket No: **A-2025-3054544**

Dear Secretary, Homsher,

In response to the letter dated **August 26, 2025**, regarding the application dismissal of **Fellowship Supports Coordination Agency, Inc** (Docket No: **A-2025-3054544**), please find the requested additional information enclosed for review and consideration.

1. On August 14, 2025, Fellowship Supports Coordination Agency submitted completed tariffs template to Mr. Jerome Elliot. The submission was returned for corrections. We were researching how to better address the issues at hand when we received the dismissal letter. When the original tariff template was rejected there was no time frame for response, which led us to believe that we had an extended time frame for response.
2. We are requesting that you reconsider the dismissal of our application as we are planning on contracting with brokerage agents in order to provide services for those in need of our services. We are also paying insurance for our business and would like to produce income to cover our expenses.

Good morning,

According to your vehicle list, you have a Highlander, which is obviously NOT wheelchair accessible.

The tariff can only state what is available for you to offer.

You cannot list Wheelchair accessible in regard to this vehicle.

Will you have different rates for Ambulatory and Wheelchair clientele?

Does your other vehicle have a Wheelchair accessible ramp or lift?

It is very important that you very clearly understand what your tariff states, and that you can provide all are certificated.

Please explain,

Jerome
