Docket No. A-2019-3009238

August 25, 2025

Dear Secretary:

MDS Gathering LLC ("MDS") hereby notifies the Commission that it has permanently abandoned all Act 127-regulated gathering pipeline facilities previously operated in Pennsylvania. The abandonment was completed in accordance with 49 C.F.R. § 192.727 (Abandonment or deactivation of facilities), including disconnection from all sources and supplies of gas, purging of gas, and sealing of open ends.

As of October 4th, 2024, MDS no longer operates any operable pipeline facilities subject to Act 127. Accordingly, MDS respectfully requests that the Commission cancel MDS's Act 127 registration and close Docket No. A-2019-3009238.

Please direct any questions to the undersigned.
