TUS-4 Reference Energy Center Harrisburg LLC's response to TUS-1, Plant Maintenance costs stating: "... inflated amounts were charged to Energy Center Paxton and Harrisburg Cooling due to an error that used the annual amount on a monthly basis. Therefore, the monthly allocation cost was \$3,150 for Energy Center Paxton when it should have been \$262, and \$5,040 to Harrisburg Cooling when it should have been \$682." Please provide the calculation for Harrisburg Cooling's annual \$5,040 since the monthly \$682 x 12 months totals \$8,184. If a different number of months or methodology was used, kindly specify.
