Re: Docket No. A-2025-3056692 – Clarification of Service Area

Dear Secretary Chiavetta,

In response to the Commission's request for clarification regarding the proposed service area, The Sphinx Transportation, LLC has carefully considered its current resources and operational capacity. At this time, the Applicant is operating with one vehicle and therefore believes it is prudent to limit the service territory to **Dauphin and Cumberland Counties**. These two counties encompass the Harrisburg region, where the Applicant is based, and represent a realistic and manageable area to ensure reliable and safe transportation service.

By limiting the service area initially, the Applicant can demonstrate reliability and compliance, while also building capacity for future expansion as additional vehicles are added. This approach balances operational feasibility with the needs of the community.

Respectfully submitted,

Amgd Omer

Docket No. A-2025-3056692

Applicant: The Sphinx Transportation, LLC

Subject: Clarification and Restatement of Proposed Service Area

In response to the Commission's correspondence dated September 2, 2025 regarding the need for a fully bounded and easily discernible service area, the Applicant submits the following clarified description. Consistent with the Commission's guidance, this description specifies only the **origins** of service and uses county boundaries.

Service Area – Dauphin and Cumberland Counties

From points in the counties of **Dauphin and Cumberland**, to points in Pennsylvania, and return.

The Applicant requests approval of the above service area and acknowledges that "Hershey" (designation without defined borders) is replaced by bounded county terminology, as directed.
