Development of Assessment Data Request

Dear Mr. Gruin:

The Commission directs the Company to amend the Development of Assessment Data Request for Calendar Years 2025 & 2026. This amendment must be submitted to the Fund's Administrator, Rolka Loube, and must include the appropriate amount of gross intrastate operating revenue and the total unadjusted intrastate end-user telecommunications retail revenues. Additionally, the Company must utilize the same accounting methodology and service revenue classifications in its Annual Financial Report and Fiscal Assessment Report to the Commission.

If you have any questions in this matter, please contact Spencer Nahf, Telco Section, Bureau of Technical Utility Services at (717) 787-5164 or snahf@pa.gov.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
