Re: Application for the Abandonment of Electric Generation Supplier License for Brookfield Renewable Energy Marketing US LLC dba Brookfield Renewable

Dear Mr. Conway

On July 9, 2025, Brookfield Renewable Energy Marketing US LLC dba Brookfield Renewable (Brookfield Renewable) filed an application to abandon its Electric Generation Supplier (EGS) license as a supplier in Pennsylvania. Brookfield Renewable was issued an EGS license on November 8, 2018, to serve large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories of PECO Energy Company and PPL Electric Utilities Corporation in the Commonwealth of Pennsylvania.

There are no outstanding fines pending against Brookfield Renewable. There are also no outstanding formal or informal complaints and Brookfield Renewable does not serve any customers.

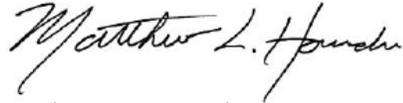

Based on the foregoing, the notification provisions under 52 PA Code Section 54.41(b) are waived, as are the notification provisions in the Interim Guidelines Regarding Notification by an EGS of Operational Changes Affecting Customer Service and Contracts, at Docket No. M-00960890F0013.

We believe that the relinquishment and abandonment of Brookfield Renewable's license will have no impact on the public, EDCs, or default service providers. Therefore, the Commission approves, by this Secretarial Letter, Brookfield Renewable's application to abandon its EGS License at Docket No. A-2018-3005372 and its license is cancelled.

The Secretary's Bureau shall remove the company's name from all active utility lists maintained by the Commission. The Bureau of Administrative Services shall remove the company from all assessment lists. Additionally, if there are no outstanding claims against Brookfield Renewable's financial security sixty (60) days after the service date of this letter, the Secretary's Bureau shall return Brookfield Renewable's financial security instrument.

If you have any questions in this matter, please contact Lee Yalcin of the Bureau of Technical Utility Services at lyalcin@pa.gov or 717-787-6723.

Sincerely,
