TO ALL PARTIES OF RECORD

Application of Verizon Pennsylvania, LLC for approval of the alteration of the public crossing (DOT 264 073 P) where Mill Street crosses, above grade, a single track of Pennsylvania Northeast Regional Railroad Authority, operated thereon by Delaware-Lackawanna Railroad Company, Inc. for the installation of an aerial fiber optic cable and innerduct in Dunmore Borough, Lackawanna County.

To Whom It May Concern:

By application received by the Commission on July 8, 2025, Verizon Pennsylvania, LLC (Verizon) seeks Commission approval to alter the above grade crossing (DOT 264 073 P) by the installation of an aerial fiber optic cable and innerduct where Mill Street crosses a single track of Pennsylvania Northeast Regional Railroad Authority, operated thereon by Delaware-Lackawanna Railroad Company, Inc. in Dunmore Borough, Lackawanna County.

Verizon proposes to attach the new aerial fiber optic cable and innerduct, located within the joint right of way of Mill Street and track of Delaware-Lackawanna Railroad Company, Inc., to one Verizon owned and one foreign owned pole. The proposed aerial fiber optic cable will have a minimum overhead clearance of 27 feet above the tracks.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its application, Verizon states that the proposed aerial fiber optic cable and innerduct are necessary to provide subsidized broadband to residents in the area. Verizon will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for the proposed facilities, at its sole cost and expense. The cost of the project is anticipated to be \$10,000.

All work is to be performed in accordance with the plan entitled: “(DELAWARE-LACKAWANNA) RAILWAY PERMIT SKETCH 1A6QL9E” consisting of two (2) sheets submitted to the Commission with the application received on July 8, 2025.

Verizon has served a copy of the application and plan on Lackawanna County, Dunmore Borough, Pennsylvania Northeast Regional Railroad Authority, Delaware-Lackawanna Railroad Company, Inc. and the Pennsylvania Department of Transportation. All parties in interest were queried by letter dated July 16, 2025, sent via email as to any objection to the subject application and plans, and none of the parties have responded with any objections.

The Commission has exclusive jurisdiction in crossing alterations and is the final arbiter of any fees associated with a crossing application. Any conditions, including fees associated with a crossing application, must be approved by the Commission.

Upon full consideration of the matters involved, we find that a hearing is not necessary and that a Secretarial Letter may be issued approving the application.
