FirstEnergy Pennsylvania Electric Company	:	

ORDER GRANTING MOTION FOR CONTINUANCE

This Order is issued pursuant to the authority of presiding officers under the Commission’s regulations at Section 5.483, 52 Pa. Code § 5.483.

1. On July 21, 2025, a hearing notice and prehearing order were issued in this proceeding setting an initial telephonic hearing for September 11, 2025.

2. On September 9, 2025, the Complainant indicated when she received the Company’s proposed exhibits is when she learned of the scheduled hearing, and she, in turn, requested a continuance of the hearing via email to the undersigned Presiding Officer.

3. A review of the instant docket indicated the hearing notice and prehearing order were returned to the Commission as undeliverable and unable to be forwarded.

The Commission’s Rules of Administrative Practice and Procedure at 52 Pa. Code § 1.15(b) state that, “only for good cause shown will requests for continuance be considered.” Good cause has been shown as the Complainant did not receive adequate notice of the hearing, so the Motion will be granted.
