Docket No. A-2024-3049587**

STATEMENT OF COMMISSIONER KATHRYN L. ZERFUSS

Before the Commission for consideration is the Joint Motion filed by Aqua Pennsylvania Wastewater, Inc., Deer Haven, L.L.C. (Deer Haven), and PL Utilities, LLC (PL Utilities), requesting a thirty-day extension of the August 31, 2025 deadline for the submission of certain documentation required in the Commission's Order entered on March 7, 2025 (*March 2025 Order*).

I dissented on the determination in the Commission's *March 2025 Order* to conditionally approve PL Utilities' acquisition of Deer Haven, because I preferred to make a decision in the pending Section 529 proceeding at Docket No. P-2024-3050549. Nevertheless, I support the thirty-day extension of time requested here, from a procedural and compliance standpoint, to provide Deer Haven and PL Utilities with the opportunity to file the documentation required in the *March 2025 Order*.
