**INITIAL DECISION**

Before  
Erin L. Gannon  
Administrative Law Judge

**INTRODUCTION**

This Initial Decision grants the Motion for Default Judgment filed by the Bureau of Investigation and Enforcement and sustains the assessment-related Formal Complaint. This Decision orders the Company to pay a total of \$5,558, consisting of the Company’s outstanding 2022-2023 and 2023-2024 Fiscal Year assessments balance of \$1,158, plus a civil penalty of \$4,400.

**HISTORY OF THE PROCEEDING**

On or about January 15, 2016, the Pennsylvania Public Utility Commission (Commission) issued C&J Well Services, Inc. (Respondent) a Certificate of Public Convenience at Docket No. A-2015-2498472, for approval to transport as a common carrier by motor vehicle, property, excluding household goods in use, between

points in Pennsylvania. On February 13, 2024, the Commission's Bureau of Investigation and Enforcement (I&E) filed a Formal Complaint (Complaint) with the Commission alleging that Respondent failed to timely file assessment reports for the 2019, 2020, 2021, 2022 calendar years in violation of Section 510(b) of the Public Utility Code (four counts). 66 Pa.C.S. § 510(b). I&E further alleged that the Respondent failed to pay its 2022-2023 and 2023-2024 Fiscal Year assessment amounts due within 30 days of receipt of each assessment invoice in violation of Section 510(c) (two counts). 66 Pa.C.S. § 510(c).

For relief, I&E requested that the Respondent be ordered to pay a total of \$5,558 which consists of its cumulative outstanding assessment balance of \$1,158 and a total civil penalty of \$4,400. Additionally, I&E requested that the Respondent be directed to file assessment reports on a going-forward basis. Further, I&E requested that if payment of the outstanding assessment balance and civil penalty is not made, the Commission issue an order: (1) cancelling the Respondent's Certificate of Public Convenience; (2) referring this matter to the Pennsylvania Office of Attorney General for appropriate action; and (3) certifying motor vehicle registrations to the Pennsylvania Department of Transportation, if any, for suspension or revocation.

On February 14, 2024, the Complaint was sent by certified mail to the Respondent at 3990 Rogerdale Road, Houston, TX 77042, the address provided by Respondent to the Commission as its main mailing address. The Complaint included a Notice advising Respondent that it must file an answer within 20 days of service of the Complaint. The Notice also advised Respondent that if it failed to answer the Complaint, I&E would request that the Commission issue an Order imposing the penalty set forth in the Complaint. The 20 days to file an answer to the Complaint expired on March 5, 2024. The Respondent did not file an answer to the Complaint.

On, March 12, 2024, I&E filed a Motion for Default Judgment (Motion) against the Respondent, in which I&E requested that the Commission sustain the Complaint due to the Respondent's failure to file an answer to the Complaint. The Motion was properly endorsed with a Notice to Plead, which informed the Respondent that it had 20 days from the date of service of the Motion to file a written response to the Motion. The Respondent did not file a written response to the Motion.

On April 23, 2024, the Commission issued a Motion Judge Assignment Notice, assigning Administrative Law Judge Dennis Buckley as the presiding officer.

This matter was reassigned to me as the presiding officer on August 20, 2025.<sup>1</sup>

For the reasons stated below, I&E's Motion is granted, its Complaint is sustained, and the relief requested is granted.

### DISCUSSION

The Complainant, I&E, was established by statute to prosecute complainants against public utilities. 66 Pa.C.S. § 308.2(a)(11). Respondent is a "public utility" as defined by 66 Pa.C.S. § 102. On or about January 15, 2016, the Commission issued Respondent a Certificate of Public Convenience at Docket No. A-2015-2498472, for approval to transport as a common carrier by motor vehicle, property, excluding household goods in use, between points in Pennsylvania.

In a case involving an alleged violation of a determination or order of the Commission by a public utility, the burden of proof shall be upon the public utility to show that it has complied with the determination or order of the Commission. 66 Pa.C.S. § 315(b). As a recipient of a Commission-issued certificate of public convenience,

Respondent has a duty to comply with Commission orders and regulations. 66 Pa.C.S. § 501(c).

Public utilities regulated by the Commission are required under Section 510 of the Code to file and pay an assessment that provides a reasonable share of the Commission's costs in administering regulatory oversight. Pursuant to Section 3301 of the Code, 66 Pa.C.S. § 3301, the Commission is authorized to impose civil penalties up to \$1,000 per violation on utilities that fail to file or pay their annual assessment on time.

The Commission explained the importance of public utilities complying with Section 510 in its tentative Order at *Cancellation of Certificates of Public Convenience for Motor Carriers; Failure to Pay Assessment*, Docket No. M-2020-3021634 (Sept. 17, 2020) (*Tentative Order*):

The Public Utility Code requires that by March 31 each year, every public utility must file a report detailing its gross intrastate operating revenue for the preceding assessment calendar year. 66 Pa. C.S. § 510(b). This report is essential for the Commission to fund its operations and to properly allocate assessment costs among the regulated utility community. *Id.*

For each fiscal year, the Commission determines the total assessment for regulatory expenses, which is allocated to, and paid by, public utilities pursuant to the methodology set forth in the Public Utility Code. 66 Pa.C.S. §§ 510(a), (b). The Commission provides notice of the amount lawfully assessed against a utility and requires the utility to pay that amount within thirty (30) days of receipt of the notice. 66 Pa.C.S. § 510(c). The Public Utility Code authorizes the Commission to revoke a utility's Certificate of Public Convenience (CPC) for failure to pay the assessment within the time prescribed. *Id.*

## Motion for Default Judgment

The Respondent did not file an answer to either I&E's Complaint or Motion for Default Judgment. Pursuant to Section 5.61(c) of the Commission's regulations, a respondent who fails to file an answer to a complaint within the 20-day response period may be deemed in default, and the relevant facts stated in the complaint may be deemed admitted. 52 Pa. Code § 5.61(c). Additionally, the Commonwealth Court has upheld the Commission's authority to sustain complaints that are not answered within 20 days. *See Fusaro v. Pa. Pub. Util. Comm'n*, 382 A.2d 794 (Pa. Cmwlth. 1978). Therefore, the allegations raised in the Complaint will be deemed admitted.

The evidence presented by I&E in its Complaint supports finding that the Respondent violated Sections 510(b) and (c) and that a penalty under Section 3301 is appropriate. The Respondent failed to file completed assessment reports for the 2019, 2020, 2021, and 2022 calendar years, in violation of Section 510(b). The Respondent failed to satisfy its 2022-2023 and 2023-2024 Fiscal Year Assessments, in violation of Section 510(c). The Commission received no objections from the Respondent to the assessments.

The Respondent was also advised that if it failed to file an answer to the Complaint, I&E would request that the Commission issue an Order imposing the penalties set forth in the Complaint. The Respondent had the opportunity to respond in writing by objecting to the assessments or by requesting a hearing. The Respondent did neither.

## Civil Penalties

Section 3301 of the Public Utility Code, 66 Pa.C.S. § 3301, authorizes the Commission to impose civil penalties on any public utility up to \$1,000 per violation for

the failure to file or pay the annual assessment on time. Each and every day of continuance of the violation is a separate offense. 66 Pa.C.S. § 3301(b).

In the instant case, I&E asserts its proposed civil penalties are consistent with past Commission decisions and sufficient to deter future violations. I&E proposes a penalty of \$4,000 (\$1,000 per count) for the four violations of Section 510(b) of the Code and a penalty of \$400 (total) for the two violations of Section 510(c) of the Code. *See* Complaint at 43, 44 nn.1-2 (citing *Pa. Pub. Util. Comm'n v. Juan Genet Enter., LLC t/a Safe Destinations*, Docket No. C-2014-2450660 (Order entered Aug. 3, 2017); *Pa. Pub. Util. Comm'n v. Leo Movers & Storage, Inc.*, Docket No. C-2015-2494528 (Order entered Aug. 3, 2017); *Pa. Pub. Util. Comm'n v. Hoffman Landscaping & Trucking, LLP*, Docket No. C-2015-2495061 (Order entered Sept. 21, 2017); *Pa. Pub. Util. Comm'n v. Deer Haven, LLP*, Docket No. C-2015-2498095 (Order entered Oct. 26, 2017); *Pa. Pub. Util. Comm'n v. Reach for the Stars Limousine Serv. Inc.*, Docket No. C-2015-2499276 (Order entered Oct. 26, 2017)).

Further, I&E asserts this amount is warranted based on the following three factors: (1) the type of violations in the instant proceeding; (2) the amount of Respondent's outstanding assessment balance related to the 2022-2023 and 2023-2024 Fiscal Years, and (3) Respondent's poor history of compliance with the Commission for a period of three years prior to the date of the filing of the Complaint. Complaint ¶¶ 43, 44.

Factors and standards to be utilized when determining whether a fine for violating a Commission order, regulation or statute is appropriate are set forth in 52 Pa. Code § 69.1201. The Commission has determined that a civil penalty for failing to pay an outstanding assessment is based on a review of: (1) a respondent's compliance history for the three-year period prior to the date I&E files its formal complaint; (2) the need to deter future violations; and (3) prior Commission decisions in similar situations pursuant to 52 Pa. Code §§ 69.1201(c)(6), (8), and (9). *Pa. Pub. Util. Comm'n v. Jadon Trucking*,

*Inc.*, Docket No. C-2021-3028563 (Opinion and Order entered Dec. 8, 2023) (*Jadon Trucking*).

Failure to file reports (66 Pa.C.S. § 510(b))

Regarding failure of a company to file annual assessment reports, the Commission has directed that where the company's yearly assessment amount is greater than \$500, and the company has a poor compliance history, the appropriate civil penalty is \$1,000. *Jadon Trucking*.

Here, the Respondent owes \$572 for its 2022-2023 Fiscal Year Assessment and \$586 for its 2023-2024 Fiscal Year Assessment, which are both more than \$500. I&E also avers Respondent has a poor compliance history. I&E points to the Respondent's repeated failures to file assessment reports and to pay its assessments, as required under 66 Pa.C.S. §§ 510(b) and 510(c), during the three calendar years prior to the Complaint.<sup>2</sup> See Complaint ¶ 44, n.3; Motion ¶ 11, n.1. Thus, I&E's requested penalty of \$4,000 total for failure to file its 2019, 2020, 2021 and 2022 calendar year Assessment Reports (\$1,000 per report) is appropriate and consistent with Commission precedent. *Jadon Trucking*.

Failure to pay (66 Pa.C.S. § 510(c))

Regarding failure of a company to pay assessments, the Commission has directed that where a company's past-due assessment amount is greater than \$350, and

---

<sup>2</sup> I agree with I&E and find that Respondent has an unfavorable compliance history within the three years prior to the Complaint being filed in February 2024, given Respondent's failure to file its assessment reports for calendar years 2020, 2021, 2022 and 2023 and its failure to pay its 2022-2023 and 2023-2024 Fiscal Year assessments.

the company has an unfavorable compliance history, the appropriate civil penalty is 25% of the past-due yearly assessment. *Jadon Trucking*.

Here, Respondent's past due assessment is \$572 for the Fiscal Year 2022-2023 and \$586 for the Fiscal Year 2023-2024, totaling \$1,158. Also, as discussed above, review of the Commission's records for the three years prior to the date of the Complaint demonstrates that the Respondent has a poor compliance history with the Commission. Because the past-due assessments are more than \$350 and the Respondent has a poor compliance history, a civil penalty of \$400 is appropriate.<sup>3</sup> *Jadon Trucking*.

The total level of civil penalty to be assessed against the respondent for its violations of Sections 510(b) and (c) of the Code is \$4,400. It is anticipated that this level of civil penalty will serve as a sufficient deterrent against future violations by the Respondent.

### Conclusion

I&E's Motion will be granted, and its Complaint will be sustained, in the ordering paragraphs below. The Respondent will be assessed a civil penalty in the amount of \$4,400, in addition to being ordered to pay its outstanding assessment balance of \$1,158. If the Respondent does not make payment of the outstanding assessment and the imposed civil penalty within 30 days of the date of entry of a Final Order, the Respondent's Certificate to operate will be directed to be revoked, the matter sent for collection and the Commission will pursue all remedies, provided by law, to ensure timely compliance with the Code, Commission regulations and orders, including initiation of further enforcement proceedings. 66 Pa.C.S. §§ 504-6, 3301-2; 210 Pa. Code. § 3761.

---

<sup>3</sup> This amount is consistent with 25% of each unpaid assessment, rounded up to the nearest hundred-dollar figure. Complaint ¶ 44, n.1.

Additionally, the Respondent will be directed to report its gross intrastate operating revenue for all future calendar years and cease and desist from further violations of the Public Utility Code and the Commission's regulations.
