**RE: Steam Cost Rate/Chilled Water Cost Rate (North Shore Plant)
Section 1307(e) Reconciliation Statement
For the twelve months ended June 30, 2025
M-2025-3056547**

Dear Ms. Yanez:

The Commission's Bureau of Audits has reviewed Energy Center Pittsburgh LLC's North Shore Plant's Steam Cost Rate/Chilled Water Cost Rate (SCR/CWCR) Section 1307(e) Reconciliation Statement for the twelve months ended June 30, 2025.

Based upon staff review, it appears that the North Shore Plant's SCR/CWCR Section 1307(e) Reconciliation Statement, filed on July 29, 2025, is mathematically accurate and, accordingly, shall be deemed an adequate filing within the meaning of Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Acceptance of the SCR/CWCR Section 1307(e) Reconciliation Statement is expressly subject to such further review and revision as may be found necessary as the result of a subsequent Commission audit or some other proceeding. Acceptance shall not constitute approval of either the accuracy of the reported figures or the reasonableness of the underlying transactions.

This Secretarial Letter does not preclude a party from later filing a complaint on the substance or operations of the adjustment clause rate change filing. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3056547.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher
Secretary
