Request for Information

1.) Question # 10 of the Application.

A.) The proposed people being transported limits your service to only the elderly. Please review the attached list on the last page of this data request as it shows you examples of passenger carrier territories and services. Do you wish to broaden your customer base? Please make corrections with the Commission's criteria in mind.

**Example:** To transport persons, by motor vehicle...

B.) Your proposed service area is unclear. Your requested territory must have boundaries.

This may be achieved by using county / counties names. Specify areas from which you wish to originate service. Please make corrections with the Commission's criteria in mind.

**Example:** ...from points in the counties of X, Y, and Z, to points in Pennsylvania, and return.

2.) Question #5 of the Verified Statements.

Provide compliant policies that satisfy the requirements of 52 Pa Code with revision to the specific chapters below.

A.) § 29.503. Age restrictions. (minimum age): Will drivers be at least a certain minimum age?

B.) § 29.504. Driver's license checks. (schedule): How often will this be done?

C.) Criminal history. (schedule): How often will this be done?

D.) Finally, explain your policy regarding your driving training program beyond saying one will be offered and completed.

3.) Question #7 of the Verified Statement.

4.) The Statement of Financial Position (Balance Sheet).

**PARATRANSIT CARRIER TERRITORY EXAMPLES AND EXPLANATIONS:**

**Take care in choosing the correct language. You must file a new application and pay an additional fee to amend any approved territory.**

**Examples below:**

1.) To transport persons, by motor vehicle, in Paratransit service, from points in (County name/names here), to points in Pennsylvania, and return.

This territory means that you are not limited to a vehicle type, not limited to the type of activity regarding non-emergency medical transportation, or transportation for virtually any reason. This language would give your company the broadest customer base to work from.

2) To transport persons, by motor vehicles, in Paratransit service, in wheelchair vans, between points in (County name/names here).

This territory means that you must:

- a) provide all services in wheelchair vans, and
- b) could travel only between points within the county or counties requested as your territory. You could not leave those counties and return.

3) To transport persons, by motor vehicle, in Paratransit service, limited to persons whose personal convictions prevent them from owning or operating motor vehicles, from points in (County name/names here), to points in Pennsylvania, and return.

This language is strictly for companies that specialize in transporting Amish people, this is NOT to be used for persons who are elderly and cannot drive, or who do not have a vehicle for any other reason.
