Dear Mr Lewis:

On September 22, 2025, GPSTransportation Inc. t/a GPS Transportation God's People Serving, requested a filing extension to respond to the Commission's July 16, 2025, compliance letter. The applicant's initial due date to meet compliance was September 26, 2025.

In the applicant's request, it did indicate difficulties coordinating the submission of the Liability Insurance Form E.

For this reason, an extension of forty-five (45) days shall be permitted. The applicant's new, and final, due date to submit the required changes and documentation shall be November 10, 2025.

No additional extensions will be granted.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.
