TO ALL PARTIES OF RECORD

Formal Complaint of Allegheny County alleging that CSX Transportation, Inc. failed to provide railroad flaggers considered essential for executing its preservation and rehabilitation work on the highway bridge (Glenwood Bridge) at the public crossing (DOT 145 669 A), carrying State Route 0885 over the tracks of CSX Transportation, Inc. in the City of Pittsburgh, Allegheny County.

To Whom It May Concern:

This matter is before us by reason of a Formal Complaint filed with the Commission on July 25, 2025, by Allegheny County (County) alleging that CSX Transportation, Inc. (CSXT) failed to provide railroad flaggers considered essential for executing the preservation and rehabilitation work on the highway bridge (Glenwood Bridge) at the public crossing (DOT 145 669 A), carrying State Route 0885 over the tracks of CSXT in the City of Pittsburgh, Allegheny County.

In its Formal Complaint, the County asserts that CSXT failed to perform as required by the CSXT Project Agreement by furnishing flaggers deemed necessary for the protection and safety of the County's general contractor while working on and near Pier 1 of the Glenwood Bridge.

On August 8, 2025, a Commission staff engineer reached out to CSXT Public Projects by electronic mail to request additional details about the claims of the County and urged CSXT to collaborate with the County to ensure the project's timely completion.

On August 22, 2025, the County filed a request to withdraw its Formal Complaint against CSXT, as CSXT furnished the requisite flaggers for the County to perform the preservation and rehabilitation project for the Glenwood Bridge.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code.

Upon full consideration of the matters involved in this proceeding, we find that the Formal Complaint in this matter can be withdrawn, THEREFORE:

1. The subject Formal Complaint of Allegheny County dated July 25, 2025, be withdrawn.
2. The case be “CLOSED.”
