RE: Continuous Bond
Technology Resource Solutions Inc
A-2021-3026410

Dear Ms. Rowen:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Technology Resource Solutions Inc because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

This filing is duplicate. We have the original Continuous Bond dated October 1, 2019, on file for Technology Resource Solutions Inc; therefore, no further action is required.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary
