**INTERIM ORDER
DIRECTING PARTIES TO FILE STATUS REPORT**

A status conference was scheduled in the above-captioned matter for September 18, 2025. On September 17, 2025, counsel for the Company contacted me by email, advising that the parties had reached a settlement in principle which, when executed, would resolve the instant matter, as well as another matter filed by Complainants at Docket No. C-2019-3008272, which is currently pending before the Commonwealth Court on appeal. Counsel advised that upon execution of the settlement, the Company would be able to file a certificate of satisfaction in the instant matter. The parties requested that the conference be cancelled.

On September 17, 2025, I responded to the parties by email that the conference would be cancelled.

On September 17, 2025, the Commission issued a Cancellation Notice, cancelling the September 18, 2025 conference.

On September 24, 2025, I followed up with the parties by email directing them to file a status report by October 22, 2025. I explained that if appropriate, the Company may file a certificate of satisfaction in lieu of the status report. I also advised that I was willing to serve as a settlement judge in the event the parties thought it would be beneficial.
