RE: Bond Continuation  
Sprague Operating Resources LLC  
A-2023-3043982

Dear Ms. Murphy:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Sprague Operating Resources LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument does not have a "wet ink" original signature or raised seal for the surety company. Please note that the current term stated on the bond is from October 10, 2024, to October 10, 2025. Bond must be valid at least for six months.

We have a Continuous Bond dated October 10, 2023, on file for Sprague Operating Resources LLC; therefore, no further action is required at this time.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher  
Secretary
