

Public Utility Commission

A-2016-2575189

My name is Robert Widmeier, I am the General Manager of Smith & Wanner LLC. We have been in business for about 10 years now. For some reason we have just ran into an issue regarding our (State Filing). Our Federal info and filing has a (DBA) attached to our name.

We are smith & Wanner LLC (dba) Wanner's Transport & Delivery. Our state filing does not have the (dba) included. Our insurance company can not give us one of the required insurance policies we need because our State Filing doesn't match our Federal. I was instructed to add the (dba) to our State Filing.

I did get some instructions and mailed in a request. We received a letter back informing me/us that there is more documentation required. I was not sure what the remaining material was. I did call in and get bounced around a little bit. I think I have everything that is required here. I have the paperwork signed by the owner (Eric Smith) along with other material that I believe is necessary.

If there is anything else we need to do, please let m know. I believe there is an outdated contact and email address as the contact person in your system. Aster K has not been with the company for quite a while. Please reach out to me with any directions/questions/concerns. My info is listed below.

We are trying to add a (DBA) to our State Filing, so it matches our Federal. Then we will be able to get the insurance required of us. Once we have completed all of this, we want to let the PUC know because our operating authority is on the line here. Whatever we need to do, to get this squared away, let me know. Our goal is to have a clean operating authority, as we have done for the last 10 years or so.
