JOINT STIPULATION TO CORRECT THE TRANSCRIPT

TO: Administrative Law Judge Eranda Vero

Pursuant to Section 5.253(b)(1) of the Pennsylvania Public Utility Commission's ("PUC" or "Commission") Regulations, 52 Pa. Code § 5.253(b)(1), Monroe Energy, LLC ("Monroe"), Lucknow Highspire Terminals, LLC ("LHT"), Sheetz, Inc. ("Sheetz"), and PBF Holding Company LLC ("PBF") (collectively "Complainants"), and Laurel Pipe Line Company, L.P. ("Respondent")(collectively, "Parties"), hereby file this Joint Stipulation to Correct the Transcript ("Motion") in the above-captioned proceeding. The Parties respectfully request that Your Honor act on this Stipulation expeditiously so that the Parties may use the corrected transcript in their Main Briefs, which are due October 3, 2025.

I. BACKGROUND

On September 10, 11, and 12, 2025, Evidentiary Hearings were held at which the Parties presented witnesses for testimony and cross-examination. The Parties listed above are the only parties of record, and all were represented at the Evidentiary Hearings. On or about September 18,

2025, the Parties received the transcript of the Evidentiary Hearings. Subsequent to their receipt of the transcript, the Parties coordinated to develop jointly a list of proposed transcript corrections.

II. JOINT STIPULATION FOR TRANSCRIPT CORRECTIONS

Parties jointly present, and stipulate to, the proposed corrections to the Transcript, at Attachment A, to “accurately reflect the evidence presented at the hearings and to speak the truth.” *See* 52 Pa. Code § 5.523(a). Of particular note, one pair of corrections, found on pages 391 and 394 of the transcript, proposes to designate a portion of the transcript as Highly Confidential that, during the hearing, was initially designated as non-confidential. The discussion at those pages relates to a discussion of shipper codes that, after further review, the shipper to which that discussion pertains believes those portions of the transcript should be designated as Highly Confidential because the discussion involves sensitive customer information that has been treated as Highly Confidential. Respondent does not oppose that designation.

IV. CONCLUSION

For the reasons stated above, the Parties respectfully request that Your Honor rule expeditiously on the proposed corrections to the transcript, and direct that the proposed corrections be made to the transcript of the Evidentiary Hearings.

Respectfully submitted,

By:
