Re: Leshner / FirstEnergy Pennsylvania Electric Company f/k/a Penelec and
Northwestern Rural Electric Cooperative Association

Dear Mr. Leshner:

We are in receipt of your Formal Complaint in which you identify FirstEnergy Pennsylvania Electric Company f/k/a Penelec (FirstEnergy) and Northwestern Rural Electric Cooperative Association (Northwestern) as the utility or company about which you are complaining. Please be aware that the Commission does not regulate Northwestern. Accordingly, the Commission does not have jurisdiction over Northwestern, or any of the services provided by this company. Therefore, your formal complaint will be rejected as to any claims against Northwestern Rural Electric Cooperative Association.

You may be able to seek legal redress in a different legal forum such as a Magisterial District Court or your county's Court of Common Pleas to move forward with your claims against Northwestern. We are sorry the Commission cannot be of further assistance to you regarding your claims against Northwestern Rural Electric Cooperative Association.

Notwithstanding the above, the Commission does regulate and does have general jurisdiction over FirstEnergy. Accordingly, your complaint will be accepted and processed as it relates to FirstEnergy, which will allow you an opportunity to pursue your claims against FirstEnergy.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
