RE: Application of Smag Transportation, LLC, 26 Independence Rd., Apt. 9, East Stroudsburg, Monroe County, PA 18301. 917-362-1185

To Whom It May Concern:

The purpose of this Letter is to advise you that your Application, Docket No. A-2025-3057805 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience **WILL NOT BE GRANTED** for the following reason(s):

• **Failure to establish fitness to operate:**

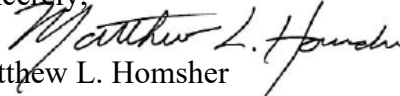

On October 2, 2025, the applicant submitted an application for Group and Party Service in Vehicles Seating 11-15 persons. Review of the applicant's fitness to operate was not deemed possible due to the complete absence of responses to half of the verified statement inquiries and also because of the complete absence of financial information. Further, review of the responses the applicant did provide failed to demonstrate evidence of suitable policies or procedures which fully complied with the requirements of the governing portions 52 Pa. Code § 29.

For these reasons the application is DISMISSED and DENIED.

CONCLUSION

If you believe that you have received this letter in error, please contact the Compliance Office of the Motor Carrier Services in the Bureau of Technical Utility Services at 717-787-3834 within ten (10) days of the date of this letter.
