Request for Information

Questions for evaluation on a PUC Application require regulation compliant answers, they should be well thought out and complete, and must answer all parts of the questions asked. Please review Title 52 PA Code to ensure your answers meet that standard.

- 1) In regard to Question #10 of the application for proposed service area: Please consider that your request should only indicate the areas from which you intend to **originate** service. Your proposed service area must also be fully bound, and easily discernible. This may be achieved by the use of municipal boundaries, roads, railroads, or natural boundaries such as rivers and streams, etc. Generally speaking, naming counties is the most wide-spread manner of achieving this goal, but other properly bound descriptions are acceptable if correctly prepared. Examples of sample territories are provided on the application itself, and your proposed territory should be written in similar format, clearly and concisely. “Counties around them,” or other vague descriptions cannot be accepted.

YOU SHOULD ONLY SPECIFY AREAS FROM WHICH YOU WISH TO ORIGINATE SERVICE.

Example(s):

- a. Paratransit service between points in the counties of X, Y, and Z.
 - b. Paratransit service from points in the counties of X, Y, and Z, to points in Pennsylvania, and return.
- 2) The responses to questions 5(a), 5(b), 5(c), 5(d) and 5(e) of the verified statements are insufficient. Title 52 Pa. Code § 29 provides detailed requirements. **Please provide a system which incorporates code specified compliance requirements for frequency of checks and retention of the records.** Each of your answers to sections of this question were insufficient:
 - § 29.503. Age restrictions.
 - § 29.504. Driver history
 - § 29.505. Criminal history.
 - 3) Note that the Statement of Financial Position must be DATED, and completed within 6 months prior to application.
 - 4) Note that in your territory description, you mention interstate trips which are not under the jurisdiction of the PUC (and PUC authority gives no permission to operate across state lines), and wheelchair and stretcher services for which none of the vehicles on your list are qualified or equipped. Please explain.

Furthermore, please be aware that all PUC certificated revenue is subject to annual reporting and billing.

The purpose of the verified statement questions is to determine your ability to provide safe, efficient, and reasonable transportation. It is in your best interest to provide accurate, complete, and timely responses. Failure to do so is sufficient grounds to justify the denial of your application because you have failed to provide sufficient evidence of your fitness to operate. Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney or financial expert familiar with Commission regulated Motor Carrier related proceedings is highly encouraged.
